

## AMICUS ACHIEVES WORLD-CLASS ACCREDITATION!

Earlier this year, after undergoing a rigorous CARF survey of all Amicus programs and services using international standards and best practices, Amicus is honored to be awarded our 11th triennial CARF accreditation, for a total of 33 years of accreditation of our Community Integration, Services Coordination and Supported Living programs! Amicus is the only CARF accredited organization in our 4-county service area of Penobscot, Piscataquis, Hancock and Waldo counties! In addition, Amicus is 1 of only 5 CARF accredited Employment and Community Services (ECS) organizations in the entire state of Maine, and the only provider of our kind in the entire state of Maine with all of its programs and services CARF accredited! CARF accreditation demonstrates a provider's commitment to continuous quality improvement and focus on the satisfaction of the persons served. Enhancing the lives of the persons receiving services is at the heart of both CARF and Amicus' missions. When choosing a provider look for the CARF seal as validation of world class programming! ## Administrative Professionals Day

On this year's Administrative Professionals Day, in April, we celebrated our wonderful Secretaries at Amicus! We appreciate all they do on a daily bases with keeping everything organized and operating flawlessly!
