Bouchea Center for Learning: Annual BBQ

On Thursday, July 25th, our friends from the Bangor Elks BPOE #244 once again provided a delicious barbecue for the participants and staff of the Bouchea Center. We are all very appreciative of their continued generosity and support through the years!! Unfortunately, the weather did not cooperate for us to host our outside water activities as planned, so instead we offered inside fun and karaoke.

Penobscot Valley Industries & Ralph Leek Elders: Dexter Lake

Being on Summer Break didn't slow down PVI/RLE! Participants have been busy with outdoor activities, including swimming at Dexter Lake. Frank Spizuoco, was kind enough to donate "Dexter Bub" t-shirts to our folks during their latest visit!

Golfing

Some of our crew has taken a keen interest in golfing! Here are some pictures of them out on the course. Fore!

Flower Picking

A special thank you to the University of Maine Extension Service Garden for allowing PVI participants to make their own flower bouquets. Their floral arrangements are blossoming! Everyone came back with beautiful flowers and big smiles!
